V1	Underneath your dream lit eyes Shades of sleep have driven you away The moon is pale outside And you are far from here. Breathing shifts your careless head Untroubled by the chaos of our lives. Another day, another night Has taken you again my dear.	: Bb Bb Dm Dm Bb Bb F Am :

V2	Last night while you were Lying in my arms And I was wondering where you were You know you looked just like a baby Fast asleep in this dangerous world. Every star was shining brightly Just like a million years before. And we were feeling very small Underneath the universe.
